NOW, THEREFORE, BE IT RESOLVED, BY THE BOARD OF SUPERVISORS OF BUTLER COUNTY, STATE OF IOWA:  
That the findings and conclusions set forth or contained in Amendment No. 5 concerning the area of Butler County, State of Iowa, described in the preamble hereof, be and the same are hereby ratified and confirmed in all respects as the findings of this Board for this area.  
This Board further finds:  
Although relocation is not expected, a feasible method exists for the relocation of any families who will be displaced from the Urban Renewal Area into decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families;  
The Plan, as amended, and Amendment No. 5 conform to the general plan for the development of the County as a whole; and  
Acquisition by the County is not immediately expected, however, as to any areas of open land to be acquired by the County included within the Urban Renewal Area.  
Residential use is not expected, however, with reference to any portions thereof which are to be developed for residential uses, this Board of Supervisors hereby determines that a shortage of housing of sound standards and design with decency, safety and sanitation exists within the County; that the acquisition of the area for residential uses is an integral part of and essential to the program of the municipality; and that one or more of the following conditions exist:  
That the need for housing accommodations has been or will be increased as a result of the clearance of slums in other areas, including other portions of the urban renewal area.  
That conditions of blight in the municipality and the shortage of decent, safe and sanitary housing cause or contribute to an increase in and spread of disease and crime, so as to constitute a menace to the public health, safety, morals, or welfare.  
That the provision of public improvements related to housing and residential development will encourage housing and residential development which is necessary to encourage the retention or relocation of industrial and commercial enterprises in this state and its municipalities.  
The acquisition of the area is necessary to provide for the construction of housing for low and moderate income families.  
Non-residential use is expected and with reference to those portions thereof which are to be developed for non-residential uses, such non-residential uses are necessary and appropriate to facilitate the proper growth and development of the County in accordance with sound planning standards and local community objectives.  
That the Urban Renewal Area, as amended, continues to be an economic development area within the meaning of Chapter 403, Code of Iowa; that such area is eligible for designation as an urban renewal area and otherwise meets all requisites under the provisions of Chapter 403, Code of Iowa; and that the rehabilitation, conservation, redevelopment, development, or a combination thereof, of such area is necessary in the interest of the public health, safety or welfare of the residents of this County.  
That Amendment No. 5 to the Butler County Logistics Park Urban Renewal Plan of Butler County, State of Iowa, attached hereto as Exhibit 1 and incorporated herein by reference, be and the same is hereby approved and adopted as "Amendment No. 5 to the Butler County Logistics Park Urban Renewal Plan for Butler County, State of Iowa"; Amendment No. 5, including all of the exhibits attached thereto, is hereby in all respects approved; and the County Auditor and Board Chairperson are hereby authorized to execute the Joint Agreement with the City of Shell Rock, and the Auditor is directed to file a certified copy of Amendment No. 5 with the proceedings of this meeting.  
That, notwithstanding any resolution, ordinance, plan, amendment or any other document, Amendment No. 5 shall be in full force and effect from the date of this Resolution until the Board amends or repeals the Plan. The proposed Amendment No. 5 shall be forthwith certified by the County Auditor, along with a copy of this Resolution, to the Recorder for Butler

County, Iowa, to be filed and recorded in the manner provided by law.
