DIKE-NEW HARTFORD SCHOOL 2018-19 REGISTRATION Pre-School - 12th Grade - Friday, August 10 Deadline

D-NH PREVIEW from page 11

Dike-New Hartford head coach Don Betts, entering his 12th season as head coach, expects his athletic group of returners to not just be a year stronger, but also a year wiser.

Before even diving into the deep end of Class 1A District 6, Betts sees opportunities for the guys to prove how hard they've worked in the offseason with non-district games against Denver and Aplington-Parkersburg to start the season.

Denver pounded D-NH 39-6 in Week 1 last season and A-P was dominant in a 26-7 win in Dike on Sept. 15, 2017, the final straw before D-NH's four-game winning streak that powered the Wolverines back to the postseason.

Farm Service Agency has initiated an environmental review. The proposed project is for the construction of a 300 head mono-slope cattle building.

Linn as the top competition that D-NH will have to fend off for the district title. The district also includes South Hardin, East Marshall and Jesup.

Before D-NH knew they'd share a district with the Regents, they knew that the road to the 1A title would likely go through Regina one way or another.
